CHUN WO INNOVATION STUDENT AWARDS ANNOUNCED FINALISTS HONOR TO BE INVITED IN MICROSOFT WORKSHOP EMPOWER THEMSELVES TO THE FINAL PRESENTATION

(7 July 2018, Hong Kong) — **Chun Wo Development Holdings Limited** (“Chun Wo”), a key member of **Asia Allied Infrastructure Holdings Limited** (“Asia Allied Infrastructure” or “the Group”) (stock code: 00711), launched the first “Chun Wo Innovation Student Awards” (“the Awards”) this year and received close to thirty proposals from tertiary student teams for their innovative engineering solutions recently. After judging by Jury Panel, seven outstanding teams have been selected to the final presentation. They will optimize their proposals before presenting their innovative ideas to the Jury Panel on 1st September 2018 for winning the Gold, Silver and Bronze Awards and three merit awards. The Gold Award winner will receive a cash prize of HK\$100,000. The cash prizes of the Gold, Silver, Bronze and three merit awards together amounted to HK\$200,000 in total.

The first Chun Wo Innovation Student Awards has received the overwhelming support from Microsoft Hong Kong Limited in which providing technical support and mentorship opportunity to the shortlisted teams. A software workshop was held at Microsoft Head Office on 7th July 2018 morning. Several Microsoft Student Partners were patient to teach the finalists professionally with the latest Microsoft resources, Azure and Power BI. From using the cloud platform to managing visualized data analysis, the finalists learned to make use of the data to strengthen their proposal effectively. They believe they can perform at their best in the Final Presentation.

Chun Wo Development Holdings Limited

Chun Wo Development Holdings Limited (“Chun Wo”) was founded in 1968 and is a key subsidiary of Asia Allied Infrastructure Holdings Limited (stock code: 00711.HK). The Company is principally engaged in the core construction and property development businesses with the professional capability to undertake large integrated construction projects. Recent examples of large infrastructure projects in Hong Kong within which the Company has undertaken works include the Central-Wan Chai Bypass, Liantang/Heung Yuen Wai Boundary Infrastructure, the Hong Kong-Zhuhai-Macao Bridge Passenger Clearance Building, the Guangzhou-Shenzhen-Hong Kong Express Rail Link (Hong Kong Section) and the MTR Shatin to Central Link. With deep roots in Hong Kong for nearly 50 years, Chun Wo has accumulated extensive experience and a strong position in the construction sector enabling it to expand business to countries along the “Belt & Road” route in Southeast Asia. Examples of such expansion are the acquisition of a construction and engineering consultancy in Singapore and the waterway bridge design and construction projects undertaken in the Philippines during recent years.

Asia Allied Infrastructure Holdings Limited (stock code: 00711.HK)

Asia Allied Infrastructure Holdings Limited (“AAI”) is listed on the Main Board of the Hong Kong Stock Exchange under stock code 00711. It is engaged in various businesses including construction engineering and management, project consultancy, property development, security services and property management, tunnel management, safe deposit box services, construction finance and investment, online procurement of construction materials, etc. With Hong Kong as its business development base, AAI is also exploring development opportunities with Asia Pacific as the main focus, as well as in overseas markets. Its subsidiary “Chun Wo” is a renowned construction contractor and property developer in Hong Kong, which enables AAI to capitalise on that company’s solid construction experience and professional capabilities to seize the opportunities for infrastructure development in countries along the “Belt & Road” initiative, and, ultimately, to increase overall profitability and create higher investment value.
